Reception at ARPA-E Convention | MAR 17

AURP members and industry partners will gather at the Clean Tech & Building Resiliency Caucus Reception at ARPA-E Summit to assimilate the latest in green tech policy and technology developments. Watch for more info on our Caucus session at the 2025 International Conference in November.

IA: APR 29-30 | AL: SEP 22-23

AURP's I2RP is designed for those interested in examining and comprehending the fundamentals of distinctive parks to absorb knowledge on their unique stories of development, current challenges, and strategies for growth. For as we say, "If you have seen one Research Park, you have only seen one Research Park".

AURP BIO HEALTH CAUCUS JUN 15-16 | AURP returns with the State Bio Association Roundtable, plus discussion on legal issues for bio startups, the role of the bio press, federal bio funding updates, and more. Come in clutch uniting with global bio health peers for focused exploration in life sciences.

Held in conjunction with BIO International Convention | June 16-19

AURP 2025 NOV 11-15 | This desert region is electric with emerging enterprises and bold ideas to scale state of the art facilities to diversify and expand the Southern Nevada and beyond. As our 2025 Annual Conference host, UNLV | Harry Reid Research and Technology Park shares this novel story of revitalization and new avenues for this economic engine.

Hosted by 

OTHER AURP EVENTS

Unifying partnering organizations, AURP is driving RAIN (the Rural Autonomous Innovation Network) to leverage AURP's university membership (known as "The RAIN Makers") with supporting firms in EPSCOR states and rural communities, to grow and scale STEM/R&D-focused small businesses in autonomous vehicles and robotics, both terrestrial and aerial.

Communities of Innovation 101 On-Demand, Digital Series

Over 10 education modules plus additional case studies to advance your knowledge.

Chaired by leaders from Cummings Research Park, CASIS, and UMD UAS Test Site – AURP is launching communities of innovation.

Member-nominated scholarships are available for HBCUs and MSIs to build comprehensive and equitable opportunities for all communities of innovation.
